Girls Soccer Program at UAHS

The Girls Soccer program at UAHS has had great success in recent years. The Golden Bears won a District Championship in 2015, and have had 4 10-plus win seasons.

This success has come from the hard work of the student athletes, wonderful and supportive parents, and a great staff that teaches the love of the game and the enjoyment of playing high school soccer.

In the past five years, the girls soccer team has come from being a .500 level team, to one of the top teams in the Central District.

This success is a direct result of the hard work of the student athletes. By exhibiting a high work-rate, tremendous team work, and proving to be highly coachable, the girls have raised the level of expectations at UAHS.

To continue this success, we would like to get our program moving ever forward by introducing our coaching concepts and style to the student athletes that make up the future of our program.

About the Camp

UAGS Soccer Camp is a 4 day camp for girls entering 6th-8th grade in the 2019-2020 school year, that will introduce players to the UA High School program.

Players will learn and participate in training sessions that mimic the trainings of the high school team.

Players will be introduced to higher level thinking on the field, and experience the style of play and coaching at the high school level.

A great staff comprised of highly qualified coaches will show players how to be successful at the high school level.
